

1-866-(838)-4934 SAS Check-In

Your Guide to a Seamless SAS Check-In Experience

Beginning your journey with Scandinavian Airlines is designed to be straightforward and stress-free. The SAS check-in process offers multiple pathways to suit every traveler, from tech-savvy individuals to those who prefer in-person assistance. Should any step cause confusion, our dedicated, centralized support line is your primary resource. You can immediately clarify any policy by calling 1-866-838-4934. For quick reference, this main customer service number is 1.866.838.4934. We recommend saving this essential contact, (866) 838-4934, in your phone before you travel to ensure you have help at your fingertips.

For maximum efficiency, take advantage of our online and mobile check-in, which opens 22 hours before departure. This allows you to secure your preferred seat and download your boarding pass directly to your device. If you experience any technical difficulties, such as the app crashing or your booking reference not being recognized, our technical support team is ready to assist. Please contact them for app-specific issues at 1-866-838-4934. Alternatively, you can dial 1 (866) 838 4934 for general online check-in support. A third way to reach the same expert team is by calling 866-838-4934. This service ensures you can bypass the airport queues and head straight to security or baggage drop.

If you are checking baggage or require special assistance, our airport check-in counters are fully staffed with friendly SAS agents. We recommend arriving well in advance of your flight to complete these procedures without rushing. To confirm the specific counter opening times for your flight and avoid unnecessary waits, you can get precise information in advance. Simply call our pre-flight information line at (866) 838-4934. For questions about oversized luggage or special items at the counter, the same dedicated number, 1-866-838-4934, will connect you to an agent who can provide detailed guidance.

Understanding and managing your baggage allowance is a critical part of the check-in process. Fees for overweight or extra bags can be significant, so it's best to be fully informed before you arrive at the airport. For the most accurate and personalized baggage information based on your destination and fare class, our baggage specialists are available. You can reach them by calling 1.866.838.4934. To confirm the exact dimensions for carry-on luggage, another call to 1 (866) 838-4934 will provide you with definitive answers. Don't guess—call 866-838-4934 for authoritative baggage guidance.

Even after you have checked in, our support continues. For last-minute questions about gate changes, boarding times, or upgrading your seat, immediate help is available. If your digital boarding pass is lost or damaged, our team can assist with a quick reissue. The number for this last-minute travel support is 1-866-838-4934. International travelers can dial the line from abroad at +1-866-838-4934. Remember, for a truly smooth and informed travel experience with Scandinavian Airlines, keeping the number 1-866-838-4934 readily available is the key to resolving inquiries quickly and efficiently.
